JIMMY'S PAPA JUMPS TO RESCUE

Packy Tearing Native Son's
Head Off and Dad Stops
Clean Knockout.

Colma Arena, San Francisco, April 11.—Packy McFarland, the Chicago light-weight, made short work of Jimmy Britt this afternoon in their scheduled twenty-round contest. Britt was sent to the floor three times in the sixth and last round by powerful right wallop on the point of the jaw. He took the count of nine twice and the time keeper had counted five. Britt's father jumped into the ring and waved McFarland away. It was practically a clear knockout. McFarland outlasted Britt from start to finish.

It was easily seen early in the contest that the Britt was facing McFarland this afternoon was not the Britt of old and that he had deteriorated greatly in every respect. He did not seem able to gauge his blows, he was very wild at times and displayed much weakness in the clinches and close range fighting.

McFarland Has Speed.

McFarland, on the other hand, had remarkable speed, his judgment of distance was infallible and he displayed great punching power. McFarland showed also that he is a wonderful two-handed fighter. He started for his man from the very outset and when the first round terminated he went to his corner with an anxious look on his face. In the second round he seemed to realize he had met his master. McFarland outboxed, outpunched and outlasted him completely and Britt began to break ground and at times stalled for protection.

McFarland gave Britt no peace or chance to rest in the third, fourth and fifth rounds. He hammered him mercilessly, his principal blows being powerful rights to the jaw. Toward the close of the fifth round a right straight jaw sent Britt to the mat, and only the timely clang of the gong saved him from being counted out at this stage.

Drops Britt Like a Log.

His respite was but temporary. McFarland went at him in the sixth round, and it was only a question of time before the game Californian must succumb. Finally McFarland unleashed a wicked right that caught Britt on the point of the chin. He dropped like a log. At the count of nine he struggled to his feet and tried to make a game stand. McFarland was right after him and another right to the same place sent Jimmy down again for the count. His eyes became glazed and he seemed totally unconscious of his surroundings. He rolled on his back after making a fruitless effort to regain his feet and it was then that the elder Britt stepped into the ring and acknowledged defeat for his son.

Britt gave a remarkable exhibition of gameness throughout the entire contest. He was cheered as they left the ring. After the fight Britt stammered out: "There is nothing for me to say. I was clearly beaten. He has an awful right. This is the last time I ever will box in a prize ring."

PEDLAR PALMER IN ZION

First of Australian Bike Riders Arrives for Coming Racing Season.

Pedlar Palmer, the well known Australian cycling rider, arrived in Salt Lake yesterday, direct from Australia. Palmer is the first of the string of fast antipodeans who will ride the two tracks in this city the coming season. This makes Palmer's fourth trip across the ocean in search of Yankee dollars, and when seen last night he stated that it would not be his last by any means, for he intends making the trip back and forth as long as he rides a wheel. Palmer is well known in Salt Lake, and has always been a popular rider.

Pedlar says the next boat will bring over a string of four or five, and will include McFarland and Jackie Clarke. He hardly thinks Pye will return this year, but surely will next. With McFarland and Clarke there should be four or five others who are anxious to try the game in America. Palmer says the game in Australia has not been a howling success the past season. The natives did not take kindly to the new eight-lap saucer track built in Melbourne this winter. Big crowds were attracted at first, but either the change of tracks or poor management put the "blink" on the game. Palmer will rest up for a week and then start training for the coming season.

PORTLAND MAN'S RECORD.

Arrange Special Event So He Can Make It.

Portland, Ore., April 11.—Forest Smithson, running under the colors of the M. A. C., broke the world's record for the fifty yards high hurdles in the annual track meet between the University of Oregon Agricultural College and Multnomah Athletic Club. Smithson's time was 6 2-5 seconds. Smithson, in running off the regular fifty-yard high hurdle event, tied the world's record of 6 4-5 seconds. A special event was then arranged between him and Eberle Kuykendall of the University of Oregon, in which Smithson made his record performance. His contest was fully sanctioned.

The schedule has been arranged so each team will meet each other team twice during the month.

MANY SURPRISES IN TRACK MEET

Richardson and Conville are
Two Stars—Freshmen
Win Contest.

The interclass track meet at the university on Cummings field yesterday morning resulted in many surprises. The contest between the sophomores and the juniors was not decided until the relay race, which the juniors won by a few yards. First place went to the freshmen, as is usually the case in interclass track meets. Their score was equal to the total made by the other teams. The records made in the meet were exceedingly good. All U men were barred from the contest and it resulted in bringing some stars in the limelight. The final score was: Freshmen, 66; juniors, 33; sophomores, 20.

Richardson was easily the star of the day. He won eighteen points besides running the relay. Conville scored sixteen points for the juniors. Three new stars who heretofore had been unheard of were brought out yesterday, and they defeated some of the best men in the school in their events. They were G. V. Anderson, who started in the hurdles; Brown, who won the high jump, and H. Alley, who distanced his competitors in the mile event.

The summary:
100-yard dash—Richardson, '11, first; Hartley, '10, second; Conville, '11, third.

AFTER SULLIVAN OR MANTELL.

There is a possibility of either Pete Sullivan or Frank Mantell getting the opening date at Jim Jeffries' new club at Los Angeles. A wire from Eddie Keavin of Boston was received by The Herald yesterday asking for the address of either of these fighters. Keavin says he wishes to match Jimmy Gardner with either Pete or Mantell for Los Angeles as the opening card for Jeffries' club. Both fighters are now in San Francisco, and their address was furnished. Keavin, who is probably working the wires at the present time to make the match.

UNHEARD-OF RECORD BROKEN.

Berkeley, Cal., April 11.—At the relay racing carnival, held today on the University of California oval, Andrew Garner of the Olympic club, San Francisco, broke the world's record for the 500-yards dash, his time being 2 minutes 1 2-5 seconds.

SOCKER GAME AT EUREKA

Miners Think They Will Have a
Strong Team Ready for
Salt Lake.

(Special to The Herald.)
Eureka, Utah, April 10.—Eureka will play Salt Lake sockers a week from Sunday for the first time this season at Eureka. It will be one of the ties to decide which team shall hold the Daynes challenge cup for the ensuing year. Although Eureka is somewhat weaker this season than it was last year, on account of the loss of George Herring, Aspden and Beaton, the very cream of the back division, yet they are confident of winning.

William Birkett, a new arrival, will no doubt surprise the visitors, he having played in good amateur company in England and last year was a member of the Winnipeg, Canada, "Shield" cup team. Bill Hobbs, the fast little forward, will be back in Eureka Sunday, and Aspden, who is of a nomadic turn, would surprise nobody if he turned up from any old place to play in the cup tie.

Salt Lake will run a mining and football excursion to Tintic on the 19th, and a large number of soccer followers are expected to come down from the capital.

AMATEURS ORGANIZE.

Capable Set of Officers Named to Run Organization.

Officers of the Salt Lake City Amateur basketball league were chosen and the constitution and governing rules were adopted at a meeting of men interested in amateur athletics at the Y. M. C. A. last evening. Six amateur clubs joined the league at the meeting last night. Officers were elected as follows: E. S. Brown, president; W. C. Sears, vice president; A. G. Mackenzie, secretary; J. E. Blomquist, treasurer.

Amateur clubs desiring to join the league are invited to communicate in writing with the secretary of the league at once, as the executive committee will meet Wednesday night to make up the schedule for the season.

SALT LAKE WINS.

High School Girls Gain Victory Over
Visitors From Ogden.

The girls' basketball team of the Salt Lake High school completed the season yesterday without a single defeat, and won the state championship. Their final score was 25 to 10 over the visitors from Ogden. The team was coached by Miss Ella Benson, right forward; Gay Vance, left guard; Gladys Marlowe, right guard; Calla Crane, substitute. A. Holsington of the Y. M. C. A. team acted as referee, and G. Glaugue was umpire.

YEAR OF PROSPERITY.

BY BAN JOHNSON.
President of the American League.
Some of the owners of the American league seem to be doubtful as to whether this season will be as prosperous as the two or three preceding. I am more optimistic than they are, as I believe that it will be more prosperous. I have come to the conclusion that baseball enthusiasts are attracted to the game as much for a relief from business cares as for other reasons, and unless there is an extreme business depression, baseball will not suffer. In any event, the American league is better equipped to keep every year, and that will attract spectators, no matter what the conditions may be. Our teams are well matched to keep every body guessing as to the winner.

JORDAN SWIFTS PRACTICE.

A practice game of soccer football was played at the Jordan grounds yesterday between the Jordan Swifts and the Salt Lake team. The Jordan Swifts won by a score of 2 to 1. The Jordans are practicing hard for their coming match game with Ogden, which is to be played at the Junction City next Saturday. The winner of this game will meet the winner of the Eureka-Salt Lake game for the Daynes trophy cup and the state championship for this year.

HARVARD SHOOTERS WIN.

Princeton, N. J., April 11.—In a dual gun shoot here today, Harvard defeated Princeton 137 birds to 130. The high wind made shooting very difficult.

ATHLETIC CLUB AT WANDAMERE

Strong Organization Formed
as a Factor in Future
Amateur Sports.

During the week just passed a new athletic organization has been started which the promoters believe is destined to cut some figure in Utah amateur athletics. The new club will be known as the Wandamere Athletic club, and will hold forth at their new club house at Wandamere. This is located in the northeast corner of the resort, and will be thoroughly fitted up for club purposes, making it one of the most desirable structures for this purpose in the state.

It is the intention of the club to break into all kinds of amateur sports, and support teams which will go out and compete for the state championships in the different branches of athletics. Work will start at once on tennis courts, golf links, a swimming pool, baseball grounds and a cinder track for track and field sports.

The club is already bidding for membership with a view of putting a track team in the state track meet this year. They will also be represented with a swimming team in the state swimming tournament, and it is hoped to get a baseball team in the field.

The new club will be open and ready for the members by May 8, at which time a big ball will be given at Wandamere. The officers elected at a meeting held at the Commercial club this week are: S. H. Love, president; Edwin M. Ashton, vice president; Joseph L. Horn, secretary; these together with George Q. Morris, Rodney Hillman, Jr., E. H. Eardley, William J. Horn, Ed McClelland, Preston Richards and J. E. Moss, make up the board of governors.

Any amateur athlete in the city is eligible to membership. The membership fees are, for persons over 16 years, \$10 a year; under this age, \$5 a year.

ROUTE OF AUTO RACE CHANGED

Snow Fields of Alaska Stop
Race, and Cars Will Ship
to Vladivostok.

New York, April 11.—A change of program in the New York-to-Paris automobile race is likely to occur, according to advices received here. The American car, which was far in the lead, has found the snow fields of Alaska an impassable barrier to further progress in that direction and is therefore returning from Valdez to Seattle. The French and Italian machines also were on their way to Seattle by steamer, but they are bound up from the south, having reached San Francisco only a few days ago, hundreds of miles behind the American car. The possibility of such a change in plans was foreseen some time ago by the directors of the long race when the cars were so greatly delayed by the exceptional weather conditions encountered in the United States. It was feared that the Alaskan trails might be found impassable at the approach of warm weather, and two weeks ago an agreement was made that, in such an event, the leading car would make the trip by an alternative route. This plan provides that the machines shall go as far as possible over the original route and then sail from Seattle for Vladivostok and then proceed by land across Siberia and Europe to their destination.

The German car is at Ogden, Utah, in a disabled condition. Several days will be required to make necessary repairs before it can continue the journey towards San Francisco.

GERMANS MAY QUIT RACE.

(Special to The Herald.)
Ogden, April 11.—At the freight depot in this city is stored the German car, "Protos," which is one of the contestants in the New York-to-Paris race. The car reached Ogden yesterday morning on a flat car from Kelton. The car broke down a short distance from Kelton and was shipped here to be loaded into a box car, to be shipped to San Francisco, where it is expected that the car will be put into shape to again enter the race. It is likely, however, that the car will be returned to New York and counted out of the race.

COAST BASEBALL.

Los Angeles, April 11.—Los Angeles won in the sixth inning, scoring five runs on two hits and four errors. Score: R. H. E.
Los Angeles 5 2 3
Oakland 3 5 5
Batteries—Koenig and Hogan; Smith, Carnes and Dashiwood.

San Francisco, April 11.—Portland won its first game this season. Henley was freely batted. R. H. E.
Portland 7 1 1
San Francisco 0 5 2
Batteries—Pennell and Walsh; Henley, Escobar and Berry.

MOIR-BURNS PICTURES.

The Gunner Moir-Tommy Burns fight pictures are to be exhibited in Salt Lake. They will be shown at the Electric theatre, No. 224 South State street, on April 15 and 16 of the coming week. The full ten rounds will be given. These pictures are well spoken of in the salt lake, where they have been on exhibition for some time. The knock-out is clearly shown.

ATHLETIC EXHIBITION.

Y. M. C. A. Plans Big Event for Next Wednesday.

The physical department of the Y. M. C. A. will hold its second annual exhibition in the Salt Lake theatre next Wednesday, April 15, at 8:15 p. m. The program will be a comprehensive one, showing some of the activities for boys and men of all ages. The affair is not planned as an exhibition of special work arranged for this particular occasion, but to show the general work that is being done daily in the big gymnasium. Salt Lake people not familiar with the work of the Y. M. C. A. physical department little realize the scope of the work, and know little about the great number of men and boys who use the department daily. In the busy season of the year the monthly attendance totals in the neighborhood of 5,000 persons actively using some portion of the department.

The exhibition next Wednesday evening will appear boys chosen from the various classes beginning with the preparatory age, 10 to 13, and ranging up through the Juniors, 16 to 18; intermediate, 18 to 25, and seniors, 25 and over 18. Boys from some of the affiliated Sunday School clubs will also participate and, without doubt, the program of drills, class scenes, music, apparatus work, barrel boxing, wrestling, gymnasium games, pyramids and tumbling will be of keen interest to the spectators from the first number to the last. Tickets can be obtained free of charge at the Halliday Drug company, or at the Western Arms & Sporting company.

THREE-CUSHION TOURNAMENT.

Fast Players Will Begin Play Tomorrow.

Manager Malone of the Malone billiard room has arranged a three-cushion carom tournament, which starts tomorrow night. Some of the best three-cushion players in the state are entered, and it is expected a good contest will result. Malone announces that he has a table especially fitted up with new cushions and cloth, which will be used exclusively for this tournament. A suitable first and second prize will be given the winners. The players who will start are J. M. Morgan, Dan Grenig, Dr. Nunn, J. G. Winchell, John Nichols, E. Christian and George Clarke.

MORE BASKETBALL.

(Special to The Herald.)
Provo, April 11.—The first league basketball game of the season will be played Monday night at the B. Y. U. gymnasium between the U. A. C. and the B. Y. U. teams.

JAY GOULD KEEPS TITLE.

New York, April 11.—Jay Gould, the national court tennis champion, today successfully defended his title, defeating E. H. Miles of London in four sets, 6-2, 6-4, 1-6, 6-3.

LOGAN AGGIES DEFEAT SAINTS

Latter Team Bats Ball When
Grant's Pitching Should
Have Won.

It seemed like the good old times when a fair-sized crowd gathered at Walker's field yesterday afternoon to see a ball game. The occasion was a state school league contest between the agriculturalists of Logan and the Saints of Salt Lake. It was not big league ball by a mile, but then it gave the 300 odd fans a chance to "holler," and this is something. They were all youngsters, kids in the business, and that is the way they played. Errors were about as numerous as base hits, but there was some excuse for the misplays as the field was in miserable condition.

The Aggies were victorious by a score of 7 to 2. This is the same bunch handed the farmers the day before by the Utah boys. At that the Aggies were lucky, or perhaps the Saints were unlucky, or maybe a slight touch of stage fright had something to do with the way Coach Milne's boys booted the ball. They certainly did this to perfection, especially in the third, when a total of five errors without a single hit netted the first three runs for Logan.

Grant for the Saints did excellent box work and with any kind of support would have won his game. Five scattering hits were the total of the damage done to his delivery, but the nine errors helped to play havoc with his chances to win. Drysdale, the young scorching top of the Aggies, made a good impression in the box and while his work was not as good as Grant's, the latter was not played better ball all the way through. The boys got together and did much better team work. The score:
